

## CHINCOTEAGUE ISLAND VISITOR'S GUIDE READY FOR VACATION PLANNING

**Chincoteague, Va.** – Just in time for vacation planning the completely new 2012 Chincoteague Island Visitor's Guide is now available from the Chincoteague Chamber of Commerce. The new 46-page full-color publication allows you to discover the spirit of Chincoteague Island. The publication is recognized along with the Chincoteague Chamber's website ([www.chincoteaguechamber.com](http://www.chincoteaguechamber.com)) as the essential source for those planning to visit Chincoteague. The guide is distributed as a response piece to inquiries generated by advertising and trade shows, through the ten Virginia Welcome Centers, AAA offices and numerous tourism offices throughout the United States and Canada.

The 8" wide x 9" high page size allows a broader canvas to showcase the scenic beauty and allure of town and islands in picture and words. The full center spread map, keyed with points of interest, is of great value for the first-time visitor. The brochure is organized with sections for the main categories of interest to tourists—accommodations, eateries, activities, services, etc. A table of accommodations' amenities for hotels, motels, B & B's and campgrounds is another added feature to help guide the visitor.

The 2012 Chincoteague Island Visitor's Guide is free and can be ordered by calling 757-336-6161, FAX: 757-336-1242, or e-mail: [chincochamber2@verizon.net](mailto:chincochamber2@verizon.net).
